During construction - **For elevator access**, weekdays until 7:00pm - enter the Skiles building (to the right of Tech Walk) - two elevators to choose from:

- one is in courtyard - to get to it, you can use unmarked concrete ramp to your left (at end of Tech Walk). At courtyard, veer right to elevator. Select the 2nd floor. Exit right, then another right and proceed down hallway. Exit to outside hallway (a few feet) and turn left to proceed on elevated concrete ramp.

- or, use the smaller elevator inside Skiles - use building entrance near trolley turnaround. Select the 2nd floor. Exit right - proceed down hallway. Then turn left at “outside” hallway and proceed down elevated concrete ramp.

Enter library at 1st floor (nearest entrance, there is a curb cut) or proceed down hill to ground floor entrance.

Two options for being **dropped off** [no parking]

On Ferst Dr., there is a very small parking lot. This lot is before the Student Center; just beyond the (new) Trolley turnaround stop (note: you cannot drive into the turnaround).

Consider being dropped off (very quickly) at the corner of Cherry St. & Ferst Dr. (marked on map - ●); the library is straight ahead, about 200 yards away, at the end of Cherry St.

**Transit:**

**From Tech Square - ** ** fall and spring semesters only ** weekdays until about 6:15pm, a "Tech Square Express" runs between 3 stops - GT hotel/Global Learning Center; Scheller College of Business ; Technology Square Research Building/Centery One
